

Orange regatta hands

small regatta hand

big regatta hand

> **until last minute before departure :**

- >> the small regatta hand displays the seconds
- >> the big regatta hand is moving of one minute on 30 degrees

30 degrés

> **during the last minute :**

- >> the big regatta hand is moving on 360 degrees - it makes a complete turn of the dial in 60 sec. to insure a optimised readiness of the last min.
- >> the small regatta hand stops

> **as soon as the countdown is at the end** and that the boat has crossed the departure line :

- >> the big regatta hand totalises the minutes
- >> the small regatta hand totalises the hours
